#### **FOR OWNER RETAINING SALVAGE VEHICLE:**

The Department of Motor Vehicles has been notified that you have retained your salvage vehicle following a total loss settlement with your insurance company. **You must apply for a salvage certificate and surrender the license plates assigned to the vehicle, within ten (10) days of the settlement of the loss.** If this vehicle is rebuilt and operated on the highway, it must be in safe mechanical condition. Before the vehicle can be reregistered, a vehicle identification number inspection, a brake certificate and a light adjustment certificate will be required. A \$2 fee will also be collected to record salvage information on the vehicle record. Future titles and registration documents will show that this vehicle was “**Salvaged.**” You should inform any potential purchaser of this fact.

#### **FOR OWNER RETAINING NONREPAIRABLE VEHICLE:**

The Department of Motor Vehicles has been notified that you have retained your nonrepairable vehicle following a total loss settlement with your insurance company. **You must apply for a nonrepairable vehicle certificate and surrender the license plates assigned to the vehicle, within ten (10) days of the settlement of the loss.** A vehicle declared nonrepairable may not be titled or registered for use on the roads or highways of California (CVC 11515.2).
